Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I don't think protected AONB land should be built on. There's plenty of land which has been previously built upon and now in need of rejuvenation that could be used. In addition, the land proposed is located on a dangerous road and therefore hazardous to negotiate. There is no infrastructure. Ongoing water problems. Difficulty accessing GP appointments. A resounding NO from me.

Kind regards
