Comments Details

The Committee of 6th October felt there was little change since the application viewed on 14th July, they felt that their previous concerns remained valid.

The Committee Recommend Refusal based on:

Comments: Mid Sussex District Plan:
DP29 – Noise, Air and Light Pollution, particularly in relation to noise to local residents.

Following the Conservation Officers views they also felt it contravened:
Mid Sussex District Plan DP26 - Character and Design, DP39 - Sustainable Design and Construction and DP35 - Causing harm to the Conservation Area.

Kind regards
