Dear Katherine,

Further to our previous correspondence and discussions in respect of the above, we are now in a position to re-start the S73 Application, which has been 'on hold' for the past few month. We thank you for your continued patience in this respect.

I attach a number of revised drawings, and updated drainage information. Our attached covering letter explains the revised details and our position with these. We would be grateful if you could review this information at the earliest opportunity and let me know if you have any queries.

We look forward to progressing the S73 Application to a positive conclusion as soon as possible.

Best regards,

Tim
