Hi Saskia

I am aware that the Decision Target Date for application DM/24/1931 is today, 04.10.2024. I am afraid I have yet to receive a Consultation response from ADAS on this proposal and as such cannot make a recommendation yet.

In order for this consultation reply to be taken into account, and also to allow for my week on leave, from 14th -18th October, I request your agreement to an EOT for both applications DM/24/1931 & DM/24/2042 to 25.10.2024.

I look forward to receiving your agreement to this revised timescale on behalf of your client.

Regards

Anna
