DECISION DATE: 21 JUL 2026

The Mid Sussex District Council hereby certify that on the 29.04.2026 the operations described in the First Schedule hereto in respect of the land specified in the Second Schedule hereto and edged in red on the plan attached to this certificate, is not lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason:

1. The development described within the submission is not considered to be achievable under a Certificate of Lawfulness (proposed) as the works to demolish the pre-existing garage and some works for the development of a single storey extension have already been carried out before the validation of this application. The extension would also not constitute permitted development as it would extend beyond the principal elevation of the dwelling. Accordingly, the certificate of lawful development cannot be issued.

First Schedule

Removal of existing garage. Construction of side single storey extension including garage.

Second Schedule

10 Woods Hill Lane, Ashurst Wood, East Grinstead, West Sussex

Informatives

1. None.

APPEALS TO THE SECRETARY OF STATE

Notes for Applicants

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months (8 weeks in the case of advertisements, 12 weeks in the case of householder or minor commercial development) of the date of this notice *(see exceptions below)

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on Tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.uk](#).

- * If this decision relates to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.*
- * If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.*
