Customer Details

Address: The Mead House The Green Horsted Keynes

Comments Details

Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I wish to comment in relation to applications DM/21/0566
(DM/25/0272) and DM21/0568 (variation DM/25/0272)

The current c1950's extension to the Grade II Listed Building is not sympathetic to Bowling Alley Cottage. This attractive historic property sits in a Conservation area and in close proximity to other Listed Buildings.

It is important that the Planning Authority takes steps to minimise the adverse impact of the proposed link extension on Bowling Alley Cottage and the surrounding area paying particular regard to DP34 and DP35 and the relevant paragraphs of the NPPF. This includes minimising the height and mass of the link extension and ensuring that materials used are sympathetic to those used on the Cottage.

The Planning Authority should seek to achieve a less dominating link extension building and in particular should seek to achieve a more sympathetic treatment for the doors/windows. The proposed aluminium framed treatment jars with the Cottage and is inappropriate.

Kind regards

Kind regards
