Dear Mr Pople

Re: Proposed details for Mr & Mrs Jupp Barn Conversion Grove Farm Ashurstwood

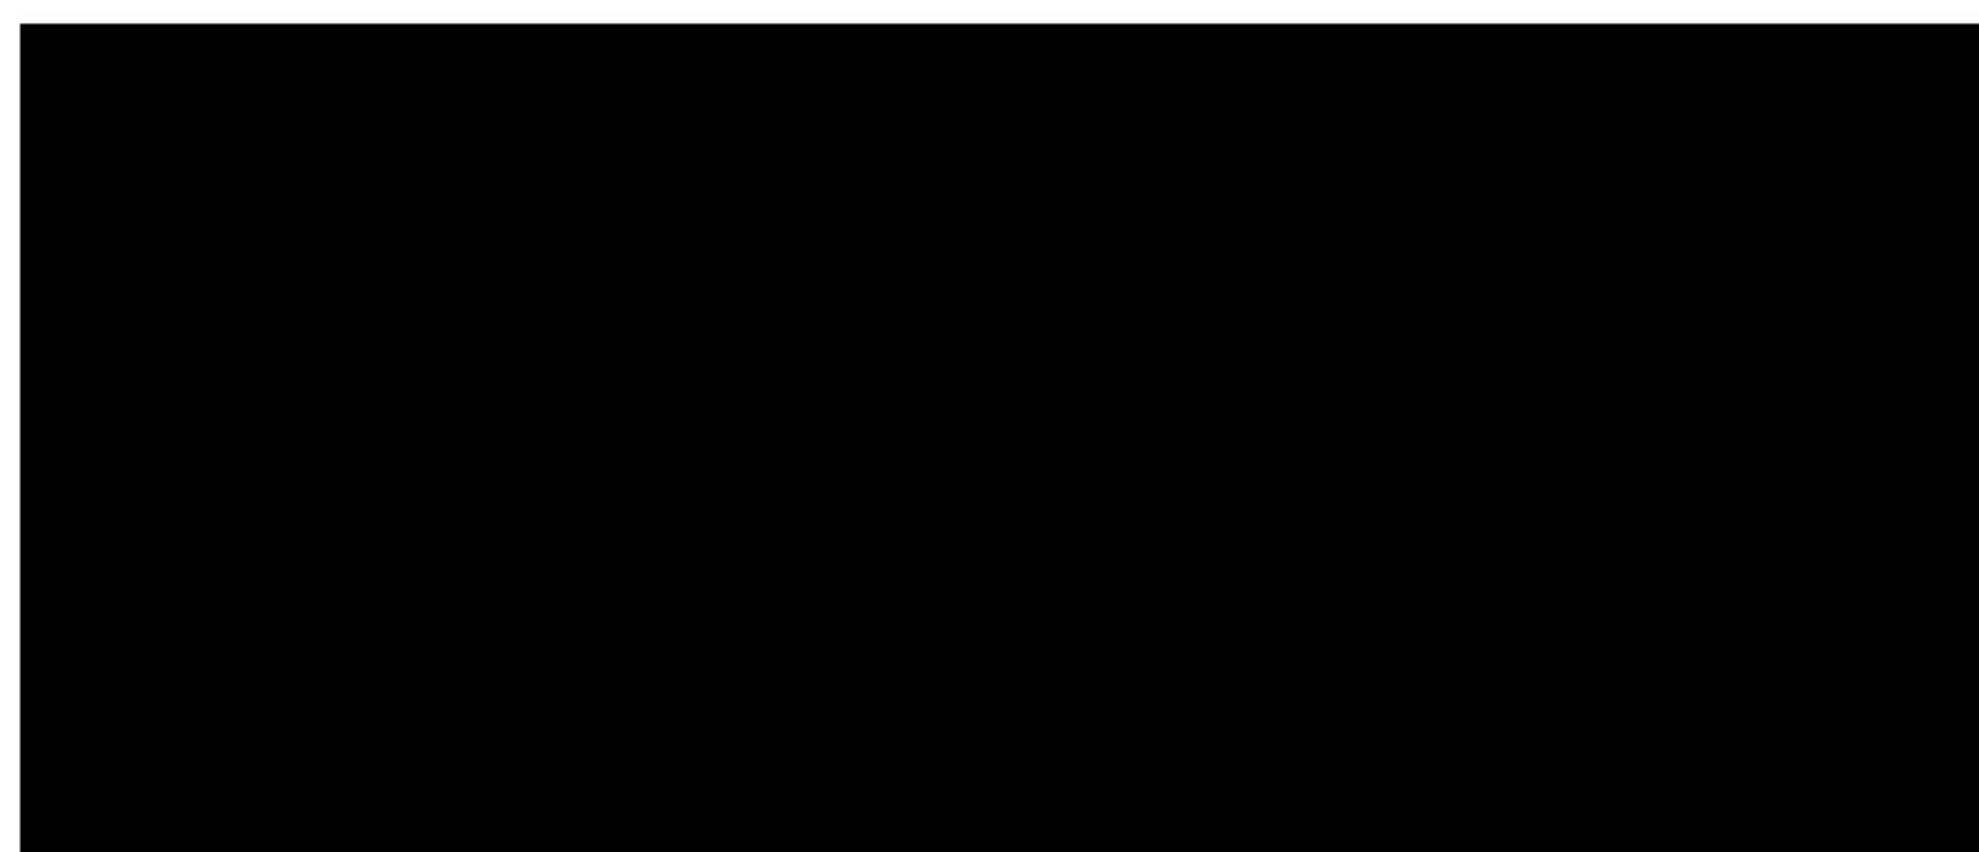

Following our recent site visit and structural appraisal of the barn at Grove Farm to determine its suitability for conversion into a domestic dwelling, I am pleased to provide our formal assessment.

We can confirm that the existing building is suitable for conversion and that the current structure is adequate for the proposed residential use.

Please let me know if you require any further information or documentation to proceed.

With kind regards

Yours sincerely
