Dear Anna Tidey,

RE: DM/25/0351 – 30 Cantelupe Road East Grinstead West Sussex RH19 3BJ

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the conversion of the existing commercial space into a self-contained residential flat, extend the current one-bedroom ground floor flat into a two-bedroom unit, install seven rooflights in the rear existing commercial space, add a new door and window on the side elevation, and raise the single-storey roof to match the existing structure. Remove garage door to provide parking spaces and bin store at front of property.

Following a review of the submitted information, we have **no objection** on surface water flood risk or drainage grounds.

Yours sincerely,

Flood Risk and Drainage Team
