Customer Details

Address: 33 College Road Haywards Heath

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Dear Team, I am writing to object to this development as the land is and has always been open space that is regularly used for leisure purposes - running, country walks, dog walks etc. Building properties on this land would spoil the natural landscape, remove an accessible landscape and cause damage to wildlife. Further, the building would cause unnecessary drainage issues to

the homes on Wickham Way, College Road and surrounding areas and a strain on the grid infrastructure and local services such as schools, doctors and dentists which are already heavily oversubscribed.

Additionally, having reviewed the property designs submitted, they are out of keeping with the listed, Turner and Victorian properties found in the area and appear of low quality.

Thank you for considering this objection to the development.

Warm regards

Kind regards
