Reasons for comment:	
Comments:	I think this is both a short-sighted and frustrating application. Not only has the fact that there are not school places available for the children who will come and live in these family homes- all local schools are full, but the access is difficult and in rush hour times that will be difficult and dangerous. But also, this field has been used by local residents and a place of recreation for hundreds of years. I have walked my dog though this field at least once a week for the last 10 years and many many people enjoy using this area,

both adults and children. It would be a great loss to the local community.

Kind regards
