Good Morning Caroline

Peter Davies has given me your details.

I am writing to you to object to the above development.

The proposed building of 49 new houses is far too many for this area.

This will create possibly 49 vehicle owners whose only exits via Gatesmead.

If this project proceeds the Council should look at the island near the top of Gatesmead.

I am no authority on road planning but the island impacts on vehicles coming from lower Gatesmead and I am surprised that there has not been a collision .

Whilst there will be a comprehensive construction management plan I am concerned how this will be enforced.

I also feel that the road should be resurfaced once the project is completed

Kind Regards,
