Dear Sir,

I live opposite 9 Nightingale Close, East Cinstead and am wondering whether the planning officer has looked at the site. Six bedrooms, their occupants and their cars would cause a big problem for parking in the road. They have already parked without permission on my driveway and that without the extension!

I have lived in this house since now in 1961 and have seen many extensions built but this ~~one~~ ~~seems~~ seems just too big for the size of the close.

Yours faithfully

P.S. Sorry about the writing but I have an eye problem.
