Hi Joanne,

Our office PA has checked, and it looked like it went into our spam folder for some reason so was missed. Thank you for forwarding.

Please see below answering your queries:

- Updated site plan and location plan making it more clear.
- Outside pool; the client would like an out door pool to be able to use during the summer months, in the fresh air. Both pools to be constructed.
- The toilets/changing facilities is for the family and friends to use when using the pool to change and use.
- The kitchen WC is for when people are using the kitchen, either the family or staff.
- The store area is for all the outside furniture to be stored in during winter, to protect it from the weather.
- The walk way is to access the garden behind the pool house, creating a nice link between the two areas.

Any other queries please let me know?

Kind Regards

Hi Richard,

I sent an email to you on the above application on the 10th January concerning the application being invalid. I have attached this for ease of reference. As such I have not worked on the file as I was awaiting plan from you specifically relating to the pool house. Whilst you provided revised plans for the outbuilding application, I never received a response to this one. It was on my list to chase up this week.

Kind regards

Joanne
