Reasons for comment:	
Comments:	Ah, come on - this is a continuance of the stealth strategy applied by the school to constantly extend permissions. We are a family home in Ferndale Road and the use of the courts until 9pm across the whole year - with the school assuming/expecting that neighbours should not be outside and/or must have their windows permanently closed - is simply too much, with young children, other family members and visitors disturbed well after dusk. Combined with a neighbour who starts a very loud car at 8am

every day, this would further reduce the peaceful period in a quiet residential area. Please do the right thing and reject this further attempt to take things beyond reasonable usage - if you are allowed, please also ask the school to stop nudging things along every year or so as it's a constant bind having regularly to read a bunch more documents and articulate a response. Many thanks.

Kind regards
