Subject: RE: DM/25/1050 WSCC Highways Response

Hi Stefan,

No further comments from me, except that the conclusion paragraph can be amended to reflect the change in NPPF.:

"In summary, the LHA does not consider that this proposal would have an unacceptable impact on highway safety or result in 'severe' cumulative impacts on the operation of the highway network, therefore is not contrary to the National Planning Policy Framework (in line with TR6 paragraph 4) and that there are no transport grounds to resist the proposal."

Kind regards

Good afternoon Kyran,

Hope you are well.

I am looking to progress the above application towards the recommendation stage, however as it has been in for a long time and the new NPPF has since been published,

I just wanted to check whether you have any further comments in light of this? If not, I will reference the attached WSCC Highways response within the report.
