Dear Ms Williams,

I wish to raise my objection to the proposed development at Woodlands Close in Crawley Down. The area simply cannot sustain additional housing at present.

Local services are already under significant pressure. There are very few shops or amenities nearby, school places are extremely limited, and the local GP surgery is already overstretched – getting an appointment is becoming increasingly difficult. Adding more residents will only make this worse and place further strain on facilities that are already at breaking point.

There is also growing concern about crime in the area, which has noticeably increased in recent months. Expanding the population without first addressing these issues feels reckless and unfair to existing residents.

For these reasons, I strongly oppose this development and urge you to reject it.

Kind regards
