I am putting in an objection to the planning permission to the Woodlands Close /Burleigh Lane 48 dwellings . This is absolutely **100** terrible for the people living here. Wates are already building West in crawley down with 350 property's. How can we be called a village any longer? With the doctors hard enough to get appointments..small Co op ..& small newspaper/post office. Also our wildlife is a great concern The wonderful stags &dears..birds..all the ground annimals have all been pushed away without a care with all this building. Where on earth are they supposed to go now? We are used to seeing these wonderful creatures in what was our village.
