Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The village can not take another new estate!!! We are losing so much green space that our village is now becoming unrecognisable. The infrastructure can not take anymore houses. The doctors is one of the main problems for all the residents of Crawley down, the schools are full to capacity. And some one who has suffered flooding due to a new Estate building on land that

has always flooded we can expect more flooding. Young people who are born and raised in the village are out priced by the price of the houses even if you have social housing in clued. The roads around the village are becoming a race track and unsustainable and dangerous for a new volume of traffic and cars.

I know that you will ignore anyone's objects as you have already made your minds up, however please don't let this happen anymore to our beautiful village.

Kind regards
