Mid Sussex District Council

Application ref: DM/25/1690
Date: 21 July 2025

ARCHAEOLOGICAL ADVICE

RE: Howdean, High Street, Cuckfield, Haywards Heath

The application is for proposed replacement windows.

The proposed development site is located within the historic medieval core of Cuckfield, but the proposed replacement windows will have no archaeological impact. As a result, I have no recommendations.

The Conservation Officer should be consulted on the proposals as relates to the significance of the Conservation Area and any listed buildings.
