Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The inferstructure does not support it ie :- not enough doctors , not enough schools. Especially with the other development which has been passed. The junction between Kiln Rd and Woodlands will be very dangerous especially with the speeding traffic. You are making one house a roundabout with roads nearly on 4

sides.

The roads in Kiln and Woodland would not support the heavy lorries going through. We know that the water pipes in these roads are collapsing.

We often see deer running up and down the roads at night, this is because their environment is being eaten into.

We are a village not a town.
