Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Dwelling house since construction. Proposed rear extension would project an additional 3m from the rear. It does not extend past the existing side elevations of the property and do not consume a significant percentage of the curtilage of the property. It is considered that this is a simple proposition utilising same materials as the existing property and is one that has zero impact on neighbouring amenities.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application
