Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Seriously ?!!! Are we trying to merge Cuckfield with Haywards Heath now? Where are the wildlife supposed to go? What happens when there's no trees, grass, wildlife left ? Climate change at an all time high with flooding becoming the norm, so let's just create an even bigger problem. Are you going to fix all the potholes with the increased traffic? the roads will be constantly being dug up because gas, water, fibre can't cope with the demand and keep breaking and needing fixing. NHS can't cope with the demand - but yeah - let's line our pockets with more money. How about pulling down the [REDACTED] buildings in town and building there instead? No one can afford to run a shop in a town any more - rents are too high - so turn these properties into homes !!! It's not rocket science - but it IS politics isn't it ;-) !!!

Kind regards
