Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The current road infrastructure including Hanlye lane will not cope with the extra amount of traffic. There is also some incredible wildlife in the area including tawny owls which will be disturbed by all the additional traffic and noise. Currently the area does not cope when hanyle lane is shut or road works are carried out. There is a development currently being built on hanyle lane which hasn't even been completed yet which will add to additional traffic in the area.

Kind regards
