Subject: Planning Application No. DM/25/1887 - Scaynes Hill Millennium Village Centre, Lewes Road, Scaynes Hill, Haywards Heath

[REDACTED]

Dear Mr Horrell,

Further to my telephone conversation today on the above Planning Application raising my concerns on the noise level. I would like to formally register my concerns on the increased noise and possible disturbance level on the proposed outdoor condenser units, at the Scaynes Hill Millenium Village Centre, which will be adjacent to my house at 6, South View.

I look forward to your response and reassurances that this will not be the case.

Yours sincerely,
