Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I frequently visit the owner at 66 Squires Close, and I am in regular mobile phone contact. I object to the proposed mast and antenna / aerial. It is within too a close proximity to 66 Squires Close and the dimensions are such that they have a detrimental impact on the local residential area and gardens. Prior to the mast and antenna / aerial being installed I had no problems contacting the owner by mobile phone. Since the

installation has been in place, I find that contact by mobile phone is very poor, and often leads to abandoning the call.

Kind regards
