Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The extension of the hours will bring unwanted noise well into the night. The Macdonalds car park is already a public nuisance with loud car engines being revved, stereo music and horns blaring past an unacceptable hour and the extension of the hours will only compound this, affecting quality of life and sleep for the local neighbours.

Kind regards
