Reasons for comment:

Comments:	This is a totally unsuitable site for housing. It is agricultural land and outside of planned development area. It is a narrow lane with blind bends and would not benefit from further traffic least of all large lorries. This is unsustainable, there is no bus service and would entail yet more cars. This is purely a huge profit making project - no one who lives in this village would ever benefit from being able to buy one of these plots. Totally out of keeping with the interests of the village and our countryside and conservation.
