Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I wholeheartedly approve of this application by St Hill Manor. Parking is often at a premium and the rugby club and the sports club join in on a regular basis parking wise. and there are often many cars during these events that have to park on the side of the

road this will be a welcome addition to the area and a much safer one as well given that far less cars will have to park on the road with the new plans.

Kind regards
