Details of the pre-application advice received

Dear Sarah,

DM/25/0273: Tyes, Tylers Green, Cuckfield

I am writing with regards to the above application, for a non-material amendment, for which I am the Case Officer.

Having reviewed the proposal, the submitted plans show that the works relate to enlarging a front window within the front elevation and the addition of French doors within the rear. These works, however, fall outside the permission that was granted under DM/23/2088, which related to the garage and a side extension.

As the proposal would fall outside of the scope of the works granted under DM/23/2088, it cannot be considered as a non-material amendment and the application would therefore be refused. A Certificate of Lawful Development would likely be a more suitable option for this type of development.

If you would wish, however, for the application to be withdrawn instead please can you confirm this in an email by 1pm on Tuesday 4th March.

I am sorry for the lateness in this email, however I have just returned from a period of annual leave and is the earliest I have been able to advise.

Kind regards,

Caroline

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
