Application Reference: DM/25/2223 Juhring And Hobbs Field At Saint Hill Manor Saint Hill Road East Grinstead

Dear Mr. Watt,

I am Director of the Oxford Islamic Information Center amongst various other things and would like to write in support of the Church of Scientology's planning application mentioned above.

I have known of and engaged with the Church of Scientology for many years and have attended their annual (and other) events on many occasions. Members of the Church are active in many of the causes that I am involved in and we have a mutually beneficial support for each other's activities.

I firmly support the Church of Scientology's external activities and involvement with the community worldwide, which culminates in their yearly event.

I therefore greatly support this planning application and hope to attend it this year.

With blessings

Yours sincerely
