Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	If the height of this great tree is reduced it will have a big impact on the privacy of our property. The flats will be able to look straight into living room and bedroom. There is a huge amount nature that inhabits the tree, for example, we often see squirrel families, goldfinches nesting etc. My brother often sits and watches the wildlife which helps with his mental health. I have also looked for the planning notice by the tree? I'm sure local residents would like the opportunity to put their opinions forward, this tree is a big part of the look and feel of the village.

Over the years the school children have been picking up the
conkers on the way home from school.

Kind regards
