Reasons for comment:	
Comments:	I believe not only do we not need any more housing here, as services are already stretched to the limit.. we were promised another doctors surgery with the new estates just built and they have not appeared !!,,,. We have enough shops already, open which is basically next door, has just been re decorated... the one

thing we do need is a local pub and investment in that is key,.. this should be a hub in the village...

Kind regards
