Reasons for comment:	
Comments:	We have 3 shops in our village we don't need more. You will be bringing more cars to the area and lorries delivering blocking the road that is already dangerous due to parking on corners. The shops that are next door are owned and run by residents. You don't need to take their custom away from them. More traffic will come through the village than needed. The pub garden is the only

place for the local kids to play whilst adults socialise. The local residents don't need a tesco we have 2 down the road

Kind regards
