Reasons for comment:

Comments:	Good evening, I am purchasing the property directly next door, 40 Cuckfield Road. As I am in the process, I have not had the opportunity to contribute. My wife and I welcome the site to be developed and be used rather than currently sitting idly.
-----------	--

Our main concern is the privacy of our new garden and any windows that will be put in to the conversion which would directly look into the garden (south facing windows). Of course, windows at ground level is to be expected but windows at a first floor level or in the roof would be incredibly damaging to our privacy. We would object to any of these windows leading to our entire garden to lose the privacy we fell in love with it for.

We also feel 6 properties is too many for the size of site and the parking that would be a result of this.

Best wishes,

Kind regards
