The alteration would not require listed building consent as it would not materially affect the special interest of the building, in comparison with the approved plans. The proposed alteration would however require a non-material amendment to the original planning permission (DM/22/0738).

3. Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make:

The original design of the roof of the side hall did not allow sufficient height from floor to ceiling. In order to address this, we propose a simple alternative roof profile to raise the ceiling height. We believe this has minimal impact on the original design. The proposal is in blue in sketch attached.

In addition as discussed with the building control officer, we will not alter the position of the disabled toilet and the entrance doors to the small hall as this would require extensive changes to the gas and electric meter position.

The door connecting the side hall to the main church will now not be moved but will be enlarged to allow wheel chair access.

Are you intending to substitute amended plans or drawings?

☐ Yes

☒ No

If Yes, please complete the following:

Old plan/drawing number(s):

New plan/drawing number(s):

Please state why you wish to make this amendment:

The original design of the roof of the side hall did not allow sufficient height from floor to ceiling. The cost of moving the gas and electricity meters is prohibitive and we therefore will not alter the position of the disabled toilet nor the entrance doors to the small hall.
