T4 Hornbeam in rear garden. Whole crown reduction of the tree by approx 2m and no further than
previous cut points.
Mr Richard Walton**

Permission is sought for the works as described.

The application has been amended following a site visit, to more accurately reflect the works.

The tree is a mature specimen located in the rear garden and has some public visibility. Works will repeat those previously carried out and will increase light to the garden.

Permission is recommended.
