

LIGHT ASSESSMENT

1 Description of Advertisements

- **Type** Externally illuminated fascia sign and gable wall sign
- **Dimensions** Fascia sign 5.4m x 0.4m
Gable wall sign 2.3m x 0.6m
- **Location** Fascia sign – above main entrance on London Road
Gable wall sign – facing Beaconsfield Close
- **Purpose** To display business name and contact details in evenings

2 Illumination Details (reusing existing illumination)

- **Lighting Type** Low energy LED directional strip lighting
- **Illumination level** 200 cd/m² to comply with ILP guidance
- **Operating hours** 07.00 to 22.00 daily on daylight/timer control

3 Impact on Surroundings

- **Residential Proximity** Nearest residential property is over 12m away with no direct sight of lighting
- **Light Spill** Minimal, with directional shielding to prevent upward and sideways glare
- **Sky Glow** Negligible due to low – intensity LED's and downward focus
- **Road Safety** Positioned to avoid distraction to drivers, complies with Highway Authority sightline requirements
