Subject: PLANNING APPLICATION NO: DM/25/2288 : 4 TALL OAKS , LINDFIELD

You are probably aware of our concerns regarding the oak tree which has a TPO on it and is within 15 metres of the proposed building work at 4 Tall Oaks. I have spoken to the Tree Preservation Officer and she informed me that the necessary Works to Trees Application with a full report by an arborist, etc. has not been submitted with the Application.

Could you please ensure that this Application is now submitted as I understand this is a formal and binding requirement.

Thank you and regards
