Reasons for comment:

Comments: Dear Peter Davies, 26/9/25
Ref DM25/1546 planning appl. 13 Beaconsfield Close
Please kindly re submit my previous objection E mail as it seems still mostly applicable to the latest warehouse plans. I would like to add further highlights against the plans for 3 storage warehouses.
More traffic in Beaconsfield Close entrance causing delays.
More noise and activity disturbing us at end of my garden.
Very concerned that the original warehouse planning acceptance was for no noise from machinery etc. Is there a no noise condition on this planning application.
Three warehouses in the centre of a residential area does seem inappropriate.
Yours sincerely,

13 Beaconsfield Close

Kind regards
