Proposal Single proposed dwelling

Our Society has been in existence for over 60 years and aims to protect and conserve the natural and built environment of our village and surrounding area.

We object to this application which would detract from the setting of Little Park Farm a grade 2 * heritage asset. The MSDC Conservation officer has recently confirmed the intervisibility between "Little Park", its gardens and grounds and this site. DP 34 applies.

Also if approved the new house would be clearly visible from Hurst Meadows and be a further diminution in the semi-rural character of the area. DP 12 applies.
