Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object for a number of reasons as there are no benefit of the mast being put up. Firstly, the noise and radiation from the mast and being by a children's play park. Secondly the road safety issue when being erected and once it is in place. Thirdly, the effect it will have on property prices and attraction for people moving to the area considering houses within the area.

Kind regards
