MID SUSSEX DISTRICT COUNCIL

DM/25/1486

**3 Hammonds Gardens, Burgess Hill, West Sussex, RH15 9QN, , ,
2 x Oak trees to be reduced by 2.5m
Mr Daniel Jones**

Permission is sought for the works as described.

The trees are located to the rear of the property, and a public footpath runs to the rear of the garden, from which the trees are highly visible.

Works relate to branches close to, and overhanging, the roof of the property . Some previous work appears to have been carried out.

The branch removal will not affect public views of the trees and will not be detrimental to their long term health.

Permission is recommended.

Decision: Permission
