Commenter Type:	Local amenity society or association
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The Lindfield Society fully support Lindfield Rural Parish Council's objection to this Application as detailed in their consultation response dated 23/06/26. Snowdrop lane is a single track road and at the point adjacent to this site, flanked on both sides by mature hedgerows and a line of mature trees. The site itself is on high ground and therefore occupies a prominent position.

A development of two large houses on relatively small plots would have a fundamentally negative impact on the landscape and character of the Snowdrop Lane area which acts as a 'green' buffer zone between Lindfield and Scaynes Hill.

In addition to the numerous District Plan Policies that the proposals contravene, as detailed in Lindfield Rural Parish Council's consultation response, the proposals require the removal of existing mature trees, hedgerows and destruction of wildlife habitat, which in the Society's opinion is unacceptable.

The Lindfield Society strongly object to the proposals contained in this application.

Kind regards
