Subject: Planning application consultation - DM/26/0839 - Costells Church Road Scaynes Hill Haywards Heath West Sussex RH17 7NH

Dear Rachel,

We are currently arranging for an infiltration test to be carried out on the project and for a drainage consultant to prepare a drainage strategy, ensuring that the information submitted is comprehensive and sufficient to support the application.

With this in mind, we would like to request a two-month extension to the planning application. Would this be acceptable?

The client is currently reviewing quotations, and we expect to be able to progress matters shortly.

Many thanks, and I look forward to hearing from you.

Please note that I will be away from the 25th of June to the 2nd of July. If your enquiry is urgent, please call the office number below.

Best wishes,
Babatunde Ibrahim
