Subject: Planning DM/26/2178 College Lane

Good Morning,
I object to the planned construction in College Lane, Hurstpierpoint.
My major concern is the increase in traffic on an already difficult road to navigate.
This is particularly bad at rush hour time and school run time.
The lack of a pavement can make it dangerous by the terraced cottages, especially with parked cars.

I am very concerned with the massive development in the area.
This summer has demonstrated the problems with the lack of water and the sewage issues.
The water company has been forced to increase water pressure for the extra development resulting in numerous leaks.

Thank you,
