Hi, I live at WYNGRA, Haywards Heath Road, Balcombe. RH17 6NJ.

We are totally against this proposal.

The location is not suitable for development, so many trees have already been removed (and not sure they were his to remove), and it will be an intrusion into the countryside.

The Haywards Heath road is a very fast road and is too dangerous to have building traffic in and out all day (since speed restrictions were not approved).

Query whether the footpath proposed is access to land we are not sure is his?.

This needs to be looked in depth before a decision is made.
