[redacted] EDC

2 APR 2025

Dear Ann Biggs

REF: DM/25/0589.

I refer to the proposed installation of the 30 metre tower on land North of Leylands Road, Burgess Hill.

Both my husband and I have very strong objections against this proposal. No thought appears to have been given regarding any health issues which will undoubtedly occur to nearby residents. So - NO, NO, NO

Yours sincerely.
