Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This is the next steps needed to make the club sustainable and relevant in their current league and several leagues above It's a must have for the club to create better streams of revenue, whilst allowing pretty much 100% of their games to go ahead with out postponement This will also increase footfall into the club at every match much needed for the community

Kind regards
