Dear John

Thank you for your email confirmation regarding the tree situation. I have saved the amended Location and Block Plan into the planning records for this case. Once the Tree Report is submitted the application will be Validated again, the consultation and readvertisement process arranged and a new Decision Target Date will be assigned.

I have copied Emma and Emily into this email to make them aware of the situation.

I look forward to progressing the application in the New Year. For your information I will be on leave from the end of 10th January, returning on 21st January 2025.

Best wishes for Christmas and the New Year.

Regards

Anna
