Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this planning application for several reasons. Mostly out lovely convenience shop only 2 doors down from this property has recently been renovated and we DO NOT want another store on the village. I object to flats which will be visible from my own house and garden.

This is meant to be a village pub so efforts should be being made to keep it as such and nothing else

Kind regards
